Dear Junior Golfer and Parents,

Welcome to the Baltimore County Golf's 2025 Junior Golf Academy!

We have many objectives for our academy this year:

- **Help our junior golfers improve their skills – by week's end, all of our Juniors will be better players and ball strikers!**
- **Connect our junior golfers with each other so they can play and learn the game together!**
- **Expand junior golfers' knowledge of the rules and etiquette of golf and the great history of our game.**

Over and above learning golf and having fun, our juniors will be introduced to other concepts that are as much a part of life as they are golf. Fairness, perseverance, honesty, integrity, self-worth and self-control are but a few of life's lessons learned through golf.

We will also place more of an emphasis on health and fitness in our academies in 2025.

Our team of PGA professionals has planned a week filled with instruction, fun, contests, and camaraderie. At the end of the Academy, our juniors will be more comfortable on the golf course and well on their way to learning and loving golf as a game for a lifetime.

The following pages include a registration form and lots of important information. Please register early as sessions tend to fill quickly! The deadline for enrollment is one week prior to each school.

If you have any questions at all, please call our golf professionals. We look forward to seeing you and your junior golfer this summer!

Sneakers or tennis shoes are perfectly acceptable.

Equipment:

If a junior does not have his or her own golf clubs, they will be provided for them during the Academy at no charge. Please let us know if your Junior will need clubs. Parents are encouraged to pre-purchase a golf glove for their junior golfers (to help reduce blisters). Right-handed golfers wear gloves on the left hand; left-handed golfers wear them on the right hand.

The instructional program includes putting, chipping, pitching, and sand play techniques, as well as full swing fundamentals and other full swing basics.
